GRADES

Grades will be updated regularly as assignments are turned in. Parents and students are strongly encouraged to check the **Q-Student Information System** on a weekly basis to view the most current grades for EVERY class.

LATE / INCOMPLETE WORK

* My expectation is that **ALL** assignments need to be completed to a level of proficiency and turned in on time. Students are given plenty of class time to complete all assignments.

DON'T BE LATE

TECHNOLOGY

- Students will be using technology on a regular basis, including Canvas and other
- websites to enhance our daily learning.
- Students are expected to abide by all school and district digital safety rules and guidelines. Failure to do so will result in said student being banned from using technology.

ABSENTEE POLICY

* **YES, WE DID SOMETHING IMPORTANT WHILE YOU WERE ABSENT.** It is the student's responsibility to check Canvas and the class worksheet bin to find any assignments that they missed.

* A student has two extra days to turn in any work assigned on a day a student was absent. If a quiz/test was administered on a day a student was absent, the quiz/test must be made up on the first day the student returns. If previously assigned work was due on the day of the absence, the work is due on the first day the student returns.

GRADE BREAKDOWN

****Students will be tested on each topic four times during the semester (quiz, test, quarter exam and final exam)**

Quizzes: Quizzes will be given several times during each unit, worth 10 points for each topic.

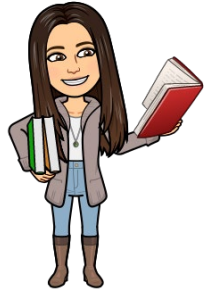

Tests: Tests will be given at the end of each unit, which will include all topics from the unit.

Any test/quiz that is not made up will result in a grade of a Zero *

Homework/Classwork: We will be using class time to work on tasks, activities and practice problems.

To receive full credit on an assignment, you must attempt every problem, show your work and correct all incorrect answers. Worth 10 points each.

Notes: Students will be filling in notes from a tutorial video the night before the lesson. Students are expected to bring their notes to class daily. Notes will be turned in/graded at the end of each unit.

PLAGIARISM/CHEATING

Plagiarism is the taking ideas and writings of another and passing them off as one's own.

In this class, plagiarism includes...

1. turning in another's **work** as one's own
2. **copying** work from a friend before class (or while in another class)
3. including a source but failing to **cite** it
4. copying an **author's exact words** and passing them off as one's own

Students caught plagiarizing will be given a ZERO for the assignment.
