

## What is my student's score in Edgenuity?

Edgenuity has a few different ways of displaying student progress.

### The Dashboard

### Progress Bar

**Red:** Behind

**Blue:** On target

**Green:** Ahead

- ❑ The **black line** indicates where a student should be
- ❑ **% complete** gauges progress but is not an indicator of the student's grade

### Actual Grade

The student's grade based on assignments completed, but gives 0's to overdue assignments (until completed)

- ❑ **Note:** Today's assignments are considered "overdue" until completed
